

Ready to quit smoking?

QuitlineNC is here to help triple your chances of quitting for good. It's free, confidential, and it works.

I've already tried
to quit five times.

Quitting can be hard. That's why it helps to have one-on-one support, ready when you need it.

How does it work?

QuitlineNC is simple. When you're ready, give us a call, and we'll pair you with a Quit Coach. A Quit Coach is someone who has helped many people quit and knows how tough it can be.

Your coach will help you make a plan that works for you and will be there to help you stick with it. You'll also get tips and advice to help along the way.
